Relevant Experience

Apprentice

May 2019 - Present

Bloc Designer Track

- Learned industry best practices and design process standards with a focus on UX Research, Visual Design, and Front-end development.
- Created and deployed projects while learning new tools and frameworks by collaborating several hours every week with senior product designers.

Technical Writer

Jan 2015 - May 2019

Technical Writers, inc.

- Edited 20+ user manuals to reflect updates to Agilent's style guide.
- Wrote user manuals detailing proper usage of Agilent mass spectrometers and gas chromatographs.
- Updated and added features to instruments' on-board help.

Projects

Highlight

Designed a cloud storage website for gamers to create, upload, and share their favorite files.

National Instruments MyHeart

Designed a plug-and-play module to help teach students about the functionality of the heart.
